Bench & Bloom Lavender Syrup, 250 mL · 2026

From: Bench & Bloom · 3820 Partridge Rd, Naramata, BC V0H 1N1 · hello@benchandbloom.com · 250.308.9449

Date: 2026-10-03 · **Ref:** JATEL_LabelQuoteRequest_v1.0_20261003

Please quote the label below at **100, 250 and 500** pieces.

Item	Specification
Label type	Single wrap label for a glass bottle, applied by hand
Finished (die-cut) size	7.25 × 2.75 in (184.15 × 69.85 mm) , rectangle, square corners
Artwork size	7.50 × 3.00 in, includes 0.125 in bleed on all sides; cut centred
Face stock	White BOPP film (cream/natural BOPP if you stock it); waterproof, oil-resistant
Adhesive	Permanent, clear, glass-rated , cold and wet resistant (stored ambient, refrigerated after opening, condensation)
Finish	Matte laminate (or matte varnish)
Coating knockout	No laminate / no varnish in one 51.0 × 12.5 mm area on the left panel, top-left corner 3.175 mm in from the trim's top and left edges, for date and lot coding with solvent ink. See the knockout file. Please confirm you can do this and any cost
Colour	CMYK (or spot Pantone 5275 C for the violet if you recommend it). Barcode, ingredient list and Nutrition Facts must print 100% black (K only) , not rich black
Format	Roll or sheets: please advise which is easier for hand application. If roll, state core size and unwind
Proof	Physical or printed proof before the run, please
Bottle	Uline S-23397, 8 oz clear Boston round, 60.3 mm (2.375 in) diameter, 79.4 mm (3.125 in) straight label panel

Please include: unit price at each quantity, any setup or plate charge, proof cost, minimum order, turnaround, and shipping to Naramata, BC (or local pickup).

Files supplied

File	What it is
